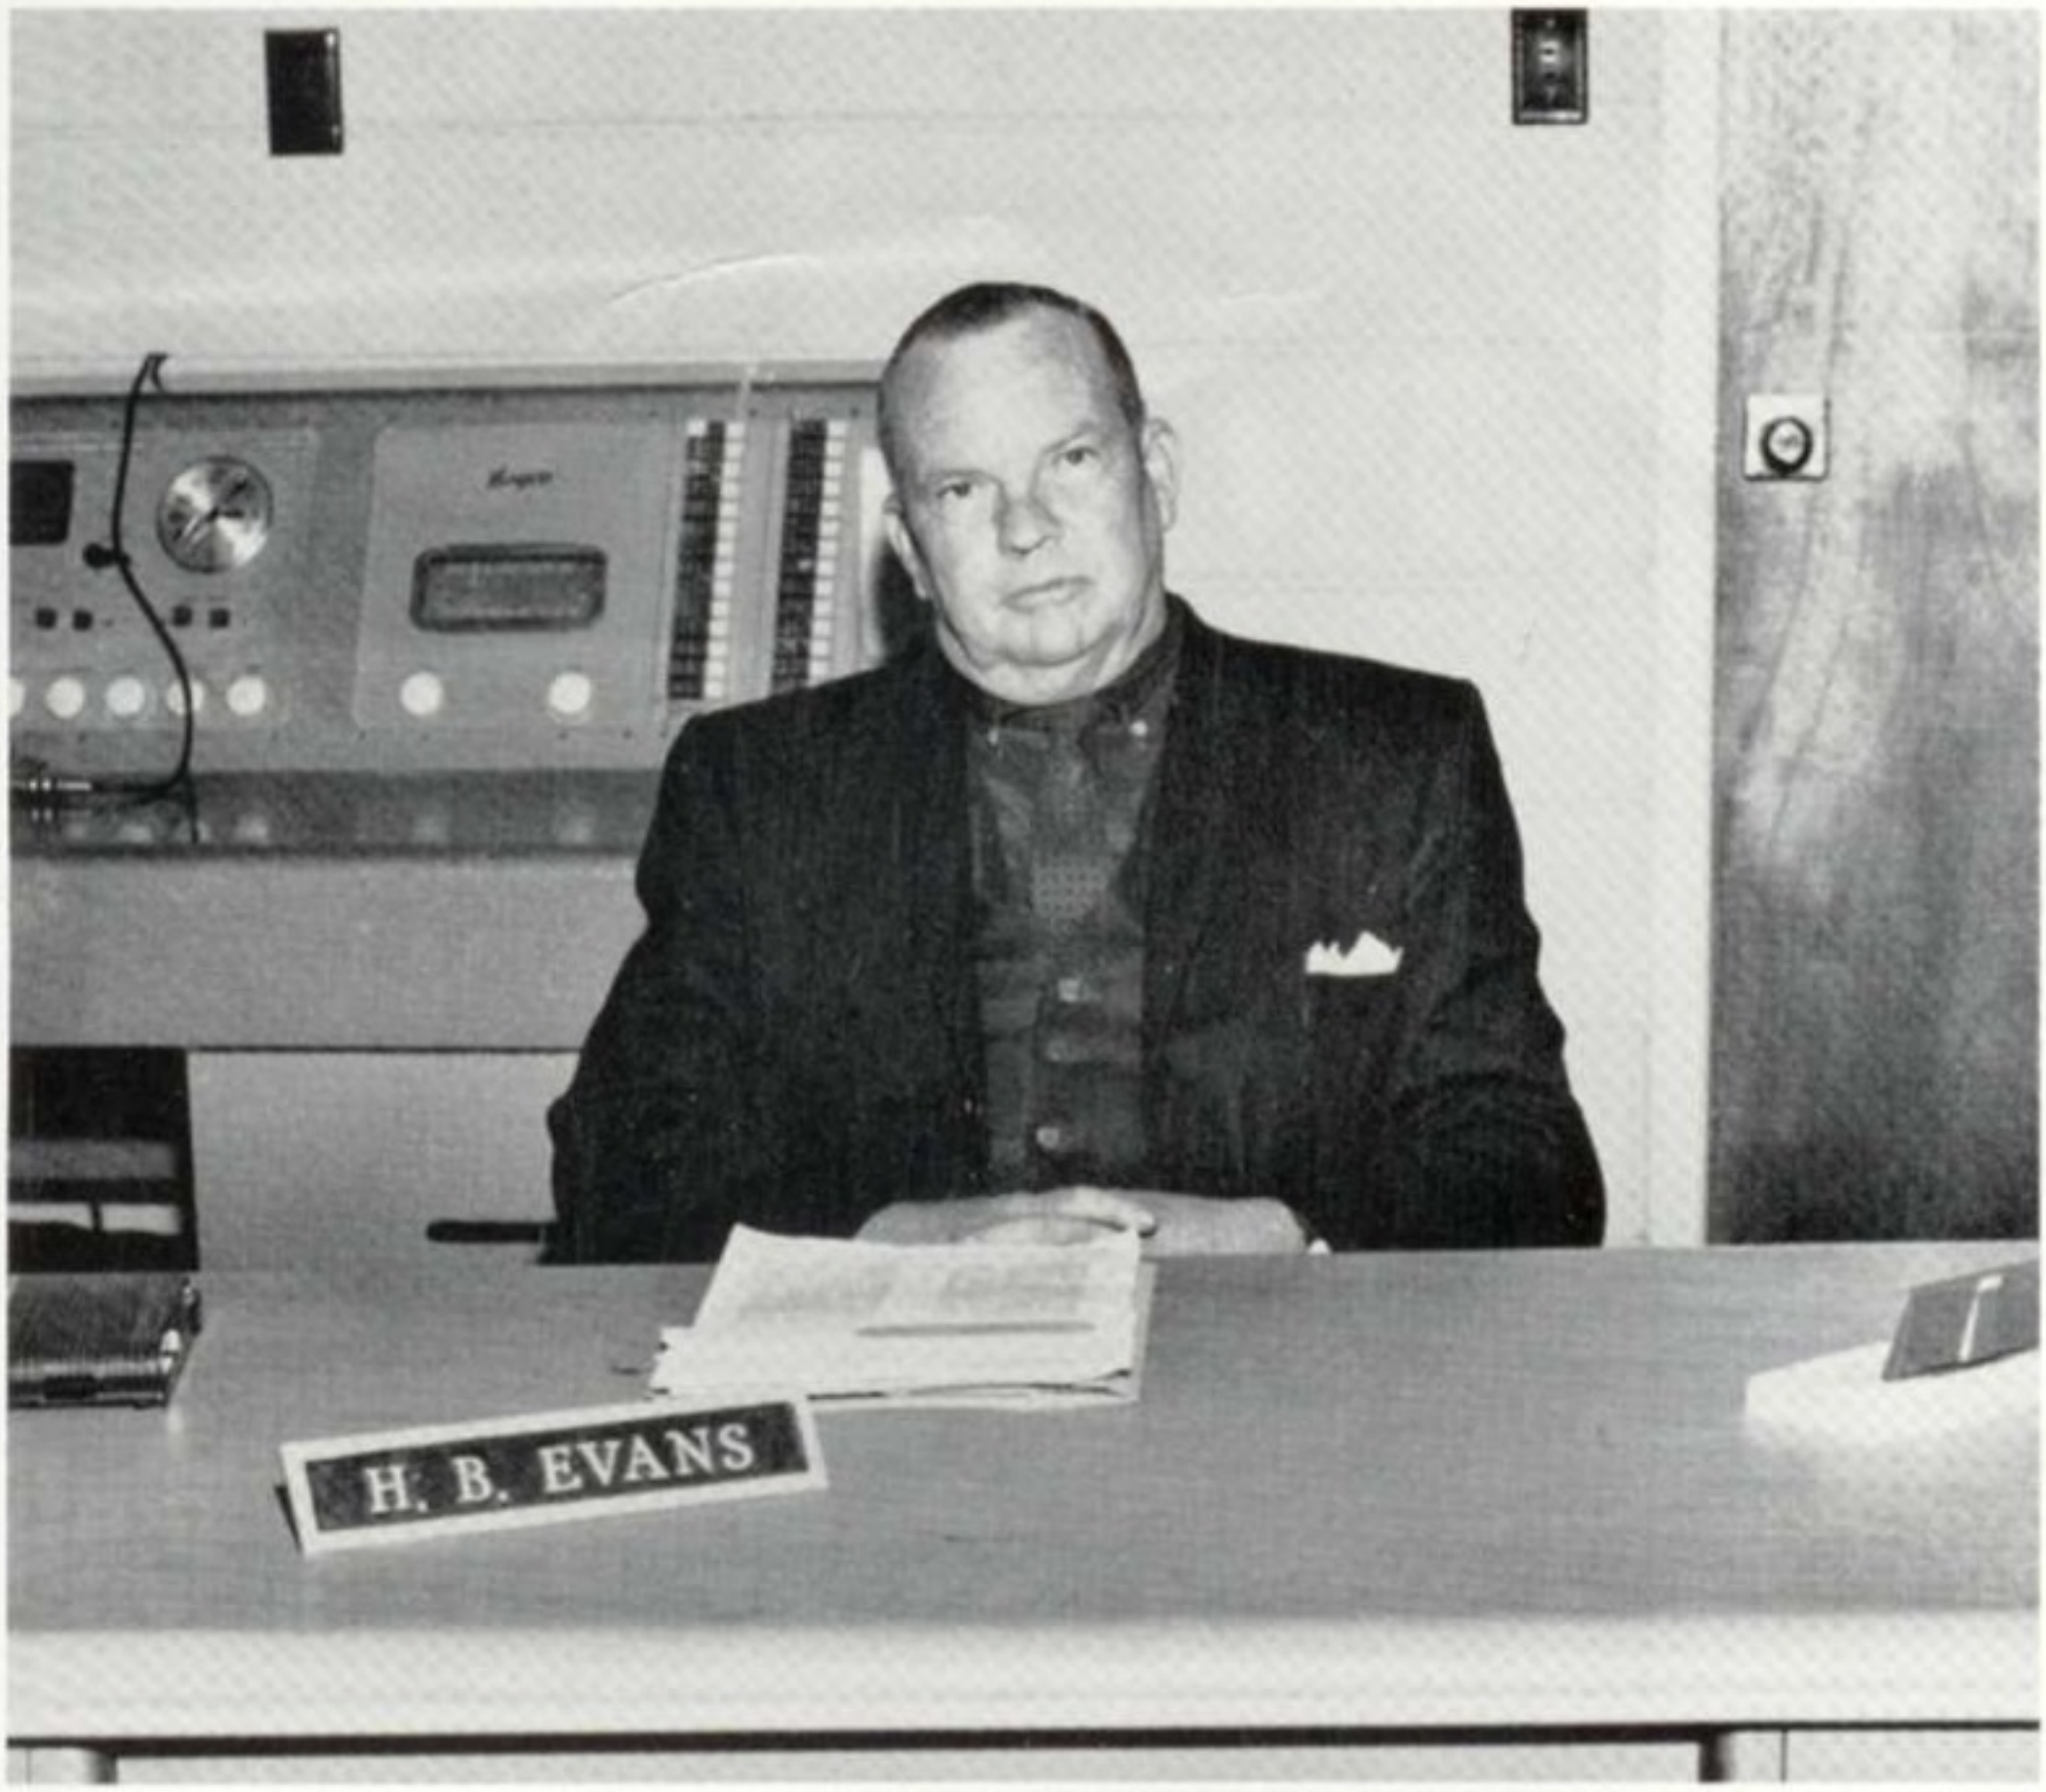
School

Dedication

The Senior Class of 1960 presents to you through our yearbook, The Rambler, the students, the faculty, and the traditions of an institution dedicated to an intangible ideal that tomorrow's achievements are built on today's accomplishments, the dreams of yesterday.

1960



MR. H. B. EVANS

The one who came to greet us

That first school day.

The one who's always helped us

In every sort of way.

The someone who has guided

And watched us to the end,

The one who we'll remember

Our Principal, and friend.

Tee Hee

With our school year coming to a close, we pause to look back upon the friends and happiness we have had. This year has been one filled with many experiences which we shall never forget. The joys, the sorrows, the fun and the hard work - these are all part of our memories of this past year. In the 1960 Rambler we have tried to preserve for you through pictures these memories of DHS.
